a) County Superintendent of Highways reserves the right to revoke or annul this permit at any time.
b) This permit must be carried on the vehicle at all times.
c) NYSDOT Divisible Load Weight Permit (page 1) must be submitted for each unit, with this permit application.
d) All highways are subject to monitoring and evaluation for deterioration. Adverse weather conditions may/will affect highway stability and accelerate highway deterioration. Deteriorating highway conditions may result in a highway or section thereof being restricted from overweight hauling as required.
e) Permittees routing more than 20 cumulative overweight loads per day on County highways shall provide a minimum two (2) days advance notice. Fax detailed trip information (dates, road, number of trips, etc.) to the County Highway Department at (607) 272-8489.
f) All vehicles shall comply with NYSDOT Permit restrictions when traveling on local roads in Tompkins County.

3. **RESTRICTED ROADS AND BRIDGES**

   a. No Restricted Roads as of this date *Subject to change by posting, see website*

   b. All bridge postings apply
