HOW TO PROPERLY PROTECT YOUR PROPERTY WITH SANDBAGS

Position your sandbags – we suggest two-high -- outside your basement windows.
For multiple rows, stack your sandbags in a staggered fashion, as in a brick wall.

THIS IS THE RIGHT WAY:

You should NOT line your bags up as a boundary around your property.
That is not needed to protect your property.

THIS IS THE WRONG WAY:

For further information, or if you have questions, call 272-1716.
