## 2016 Greater Tompkins County Municipal Health Insurance Consortium Prescription Benefit Manager (PBM) Request for Proposal (RFP) **Addendum #1**

1. On page 5, #3 at the bottom of the page and page 14, # 4. Should the contract type be Administrative Service Contract (ASC) instead of a Minimum Premium Based Contract?

*Yes, please ignore any and all references to a "Minimum Premium" insurance model as this Consortium is self-insured pursuant to Article 47 of the New York State Insurance Law and as such is seeking PBM services on an Administrative Services Only (ASO) only.*

2. In order for us to determine most aggressive pricing options to offer GTCMHIC, our pharmacy area has asked for a claim file with the following fields: Service Date, NDC, Drug Name, Dosage (strength), 90-Day Script, Retail/Mail Code, Brand/Generic Code, Rebate Claim Y/N, Specialty Indicator, Pharmacy NABP, Pharmacy Name, Pharmacy City, Pharmacy State, Pharmacy Zip Code, Days Supply, Copay Tier, Quantity, AWP, Ingredient Cost, Dispensing Fee, Member Paid, and Plan Pay.

*We have attached an Excel file with the pharmacy claims data necessary for each PBM to provide a detailed financial cost proposal based on the actual usage of the Consortium for the time period January 1, 2016 to June 30, 2016.*

3. Article 4 Term of Contract 4.1 The initial contract period indicates January 1, 2017 through December 31, 2018. Article 5 Cost Proposal: 5.3 Quoted Fees. Requesting a 3 year ASC rate guarantee. This is a conflict. We can provide a 2 or 3-year rate guarantee. Please advise which guaranteed contract rate duration the group would prefer.

*The GTCMHIC is seeking a PBM for an initial 2-year term (2017 and 2018) with a 1-year (2019) Consortium option to extend the contract to a 3<sup>rd</sup> year. As a result, the Consortium is seeking a 3-year rate guarantee on all PBM services provided.*

4. Pharmacy reimbursement, Eckerd Pharmacy will not be supplied.

*As clarification, please disregard any reference to Eckerd Pharmacy as the pharmacies to be utilized for the cost information are Kinney Drugs, CVS, Rite-Aid, Wegmans, and Walmart.*

5. What date should be used for pricing information?

*Please use your company's drug prices on June 1, 2016.*
