

Greater Tompkins County Municipal Health Insurance Consortium

3rd Annual Educational Retreat

When:

Tuesday, May 10th from 9 a.m. to noon

Where:

Tompkins County Legislature Chambers, 2nd Floor
121 East Court Street, Ithaca

Topic:

How are Health Insurance Premiums determined?

With various benefit plan structures and estimated claims activity, how can health insurance premiums be determined? How are rates for single and family established? How does health care cost sharing by deductibles, co-pays, etc. affect premium calculations? What is the impact of adding or deleting a benefit on premium calculation?

You will know the answers to these and many more questions.

Whether you are a Board member, serve on advisory committee, or a member/retiree, this retreat will provide you with information to better understand health insurance.
