MEDIA ADVISORY & INVITATION

NEWS CONFERENCE & MEDIA BRIEFING – Wednesday, June 17:

Report to the Community:

***The Rest of the Story: A Continuing Legacy of Shared Services in
Tompkins County, NY***

The Tompkins County Council of Governments (TCCOG) will present this report, commissioned by TCCOG'S Shared Services Committee and undertaken by a team of Cornell University graduate students, documenting the significant ongoing savings achieved by innovative shared services that began long before the State's recent push for consolidation of services.

The report, commissioned by TCCOG'S Shared Services Committee, is a review and analysis of eight significant and pioneering shared service initiatives that demonstrate our local governments' commitment to taxpayer savings and efficiency. Those programs have achieved significant ongoing savings to taxpayers that began long before the State's recent push for consolidation of services.

You are invited to join us for this briefing and news conference:
