2013 Enfield Harvest Festival

Cortney Bailey, President

October 5, 2013

1. Approximate the attendance of your event: **650**
2. How did you count attendance and was the method effective?

We judge attendance on how many chicken BBQ's we sell.

Why? Pretty accurate

3. Attach a copy of actual expenses paid using the attached Grant Expense form.

A copy of our expenses and income from our bookkeeper is attached

4. List the methods for inviting attendees, and indicate the most success method.

We advertised in our local newsletter which goes to all Town residents. We also sent a flyer home in the elementary students Wednesday mailing which was the most successful method.

5. Please share with us what you would like the County's tourism board or other event planners to know about your event.

We held the 38th annual Enfield Harvest Festival on Oct. 5. Again, we had a cake booth, chicken BBQ, handmade quilt, children's games and our signature, a ping pong drop. A light plane flies over and after several teasing passes, drops a bag of ping pong balls on to the school yard. All the kids race to get a ball and turn it in to get a prize. We now have 2 generations of residents who share this childhood memory.
