

## PLEDGE OF SUPPORT

The T-Free Zone program encourages a community environment where:

- (1) the air is smoke free,
- (2) support for smokers who want to quit helps them succeed, and
- (3) teens and young adults can beat the tobacco trap and stay tobacco free.

**To support a healthier community today, and so future generations may be smoke free, I (We) Pledge a Commitment To:**

(✓ Check all that apply)

### (1) Provide smoke free outdoor areas

**By establishing T-Free Zone(s):**

- At our main entrance.
- At exits, docks and service doors.
- At outdoor picnic and pedestrian areas.
- During any outdoor event held on our grounds.

### (2) Support smokers who want to quit

**By having information or resources about quitting smoking:**

- Available for employees.
- On display for clients or customers.

### (3) Promote actions that encourage a tobacco-free community

**Regarding tobacco company involvement with events and venues:\***

- Vending, promotion, offering samples or branded 'gear' at an event / at this venue is not permitted.
- Underwriting any part of an event produced by this organization / at this venue will not be permitted.

**Regarding tobacco company funding for nonprofit agencies, operations or programs:\***

- Funding from a tobacco company will not be knowingly accepted.
- Any such funding offers will be reviewed and deliberated by the full Board of Directors / Trustees.
