

Construction Work During COVID-19 Outbreak*

- Effective 3/27/2020, all non-essential construction in New York State must shut down except emergency construction.
- Essential construction may continue. This includes roads, bridges, transit facilities, utilities, hospitals or health care facilities, affordable housing, and homeless shelters.
- Under NYS Executive Order 202.6, construction work by a **single worker**, who is the sole employee/worker on a job site, may continue.
