Tompkins County Snowmobile Trail Map with Proposed Changes 2025: Snowmobile Trail C2B

This map depicts the Dryden Caroline Drifter's proposed reroutes of Snowmobile Trail C2B (purple line) to NYS ORPHP through the Snowmobile Trail Grant Program. Proposed reroutes can be seen in three locations where the purple line doesn't follow the black line (last year's approved trails). The C2B reroutes can be found off of Hammond Hill Road just North of the Caroline Border, South of the South Road and Old 76 Road intersection and near the intersections of Level Green and Slaterville Roads.
