- September 20, 2026: Received a commendation for how Deputy Miller handled a fraud case.

Dear Sheriff Osborne,
We would like to take a moment to sincerely thank you and your department for the outstanding work and dedication shown by Deputy Miller throughout the fraud case we recently experienced. (I don't have the case number in front of me at the moment!)
We are especially grateful for the time, effort, and persistence your deputy put into investigating the case. His professionalism, communication, and commitment to seeing the matter through made a difficult situation much easier to navigate. Most importantly, his hard work resulted in successfully finding/recovering (soon) the money that had been taken, which means more to us than we can adequately express.
It is reassuring to know that there are dedicated law enforcement officers who take the time to listen, investigate thoroughly, and advocate for the people they serve. Deputy Miller's efforts went above and beyond, and we truly appreciate his determination and commitment to bringing this case to a successful resolution.
Please extend our sincere gratitude to him for everything he did. His dedication and professionalism are a wonderful reflection of your department and the important work you do for your community.
Thank you again for your time, your leadership, and for having such a dedicated deputy serving your community... and helping us out here in Nebraska!
With sincere appreciation,
Stuart and Laura[redacted]
