The LTC Ombudsman Program is an advocate and resource for people who reside in long-term care facilities such as nursing homes, assisted living, and adult care facilities.

Ombudsmen help residents and their families understand and exercise their rights to quality care and quality of life. The program advocates for residents by receiving, investigating, and working to resolve complaints made by or on behalf of residents.

Ombudsmen respond to a variety of issues about long-term care including:

- Residents' rights
- Environmental concerns
- Discharge and eviction
- Personal care concerns
- Quality of life issues
