To register, call Doug Barnes at
(607) 274-6688

Presented by Tompkins County Environmental Health

Sponsored by Tompkins County Soil and Water Conservation District.

Tompkins County homeowners can receive a \$200 rebate coupon good for septic system maintenance by attending this free workshop.

For more information on septic systems and system permits, please visit our site at <https://tompkinscountyny.gov/health/eh/owts>

June 14, 6:30pm to 8:00pm

Lansing Town Hall

29 Auburn Rd Lansing, NY 14882

August 17, 6:30pm to 8:00 pm

Danby Town Hall

1830 Danby Rd Ithaca, NY 14850

September 21, 6:30pm to 8:00pm

Ulysses Town Hall

10 Elm St Trumansburg, NY 14886

The workshop will focus on homeowner septic system management. Topics will include how a septic system functions, current system standards, maintenance requirements and schedules, trouble shooting, and system failures. Private water well components, maintenance, and recommended testing schedules will also be discussed.
