Means by which smoke-free policy is conveyed to tenants: ___ Lease ___ Policy ___ Signage ___ Listings

*A smoke-free apartment building means, at minimum, that all dwelling units within the building are rented/ leased/ occupied as no smoking anywhere within the dwelling unit. Applies to tenant, all household members, all guests & visitors; all dwelling units vacant, tenant occupied, owner occupied; all service, maintenance and construction personnel. All indoor common areas are covered under the Clean Indoor Air Act of 2003.

[†]Indicate the number of buildings that are currently smoke-free, and/or the number for which steps are underway to implement a transition to smoke-free.

Affirmation that information is true and correct as of this date, and that Tobacco Free Tompkins will be notified in the event of changes in property(ies) smoke-free status
