Ms. Alvord will modify the questions on the form to reflect changes in operation during the pandemic and into the foreseeable future. Ms. Alvord will ask the Career Center to fill out the form bi-monthly and report to the committee quarterly.
DIRECTOR’S UPDATE

Ms. Branosky would like committee members to share with the community that although the unemployment rate is improving this does not give a full picture of the employment situation. Ms. Branosky informed the committee the Cornell/ILR school research will show in graphs how much the pandemic has changed our community for young workers age 16-24, disabilities, and race. The committee would like see information on gender, income levels to where they are now compared to pre-pandemic, geography pertaining to Tompkins County and barriers to perform their jobs like transportation, broadband or any other disadvantages the community members are having.

Ms. Alvord reported that NYS State intake forms for WIOA Adults/Dislocated Workers are being updated thanks Ms. Mouillesseaux at the Career Center (WIOA Youth forms are created at a local level, and already reflected these updates). Ms. Mouillesseaux had proposed changes to NYSDOL on gender, preferred names, criminal justice status, mental/physical impairments and other pertinent information; these changes have been accepted by the State and are being proposed to be used across New York State; NYSDOL will update online inputting system accordingly.
