

## Tompkins County Natural Infrastructure Capital Program Application

Tompkins County is proud to support the permanent protection of natural systems that can help to mitigate the adverse impacts of climate change. This application form is intended to help local governments and nonprofit organizations submit potential protection projects for County staff to review the project against the eligibility requirements outlined in the attached [Tompkins County Natural Infrastructure Capital Program Guidelines](#) (2019). Please complete this application form and send to ([planning@tompkins-co.org](mailto:planning@tompkins-co.org)) the Department of Planning & Sustainability for review.
