Dear Community Members,

I would like to thank you for your unwavering support of my office. Without your trust, we would not have been able to accomplish the work we did throughout 2023. Although the last few years have been incredibly trying for law enforcement, the appreciation shown towards us has been greatly appreciated.

Over the year, we have made great strides in continuing our pursuit of voluntary statewide accreditation of our road patrol, which we anticipate obtaining for the first time in 2024. This program aligns our law enforcement policies and procedures with accreditation standards and best known practices providing proof of our professionalism. This would not have been possible without the dedication and hard work of Undersheriff Olin who oversaw this process from start to finish.

Due to actions taken in conjunction with County Administration and the Legislature, we have incentivized the workplace and created a positive culture, allowing us to maintain staffing levels above and beyond what other jurisdictions are experiencing. This has allowed us to continue to provide a high level of public safety and tackle violent crime issues in the City of Ithaca. I hope you are as proud as I am of the work highlighted in this report.
