WATCH FIRE

**Friday, September 17th, 2021 @ 7:00 PM
Myers' Park Lansing**

Sponsored By: Vietnam Veterans of America Chapter 377

All are invited to honor our POWs and MIAs – Past and Present –at 7:00 PM on Friday, September 17, 2021, at Myers Park in Lansing.

Bring your family, friends, chairs, and coolers. The Watch Fire comes from a tradition that, following a battle or long march, a large fire was started so those that are missing or lost could rejoin their comrades. The Watch Fire also allows the VVA Chapters 377 and 704 to provide the community with an opportunity to dispose of unserviceable American flags respectfully and properly. People are invited to bring worn, tattered American flags to be placed on the fire as an appropriate way to “retire the colors.” If you have any wood to burn, bring it to the fire.
