

**ADOPTED**  
**RESOLUTION NO. 2022-174**

---

---

**Accepting Recommendations of the Tompkins County Independent Redistricting Commission, Establishing a 16-Member Legislature with Appropriately Revised District Lines, and Adoption of Local Law No. 4 of 2022 - A Local Law Amending Chapter 28 of the Charter and Code - Election Districts**

WHEREAS, on November 16, 2021, the County Legislature appointed an Independent Redistricting Commission consisting of nine members tasked with creating voting districts within the County which would comply with all legal requirements for such districts. The Commission met on a biweekly basis starting on January 11, 2022, and worked in conjunction with the City of Ithaca Redistricting Group, sharing data and holding joint meetings, and

WHEREAS, on April 26, 2022, the Commission authorized the release of a proposed redistricting plan for the County via the media and the Tompkins County Redistricting website, and invited the public to comment at the meeting on May 10, 2022, or submit comments via the website, and

WHEREAS, on June 2, 2022, the Tompkins County Redistricting Commission submitted to the Government Operations Committee, a Final Report of its recommendation of a new set of legislative district lines that comply with the equal population requirements for local legislative bodies and resulted in 16-member Legislature, and

WHEREAS, a public hearing was held before the Tompkins County Legislature on August 2, 2022, to hear all persons interested in proposed Local Law No. 4 of 2022, now therefore be it

WHEREAS, the Tompkins County Legislature adopted Resolution 2022-139 which requested that the Independent Redistricting Commission reexamine an alternative proposal having an odd number of Legislative districts with 15 or fewer in number, reexamine the division between District 1 and District 2 with respect to low-income housing residents and unity of representation, and reexamine the compactness of District 1, and

WHEREAS, the Independent Redistricting Commission reconvened on August 24th, 2022 to consider and review draft alternatives for Legislative Districts based on 11, 13, and 15 members, and unanimously adopted to reaffirm the proposed map 16-V.3. as previously presented to the Legislature; now therefore be it

RESOLVED, on recommendation of the Government Operations Committee, That the Tompkins County Legislature hereby accepts the recommendations as put forward by the Independent Redistricting Commission and establishing a 16-member Legislature to become effective on January 1, 2026,

RESOLVED, further, That the Tompkins County Legislature adopts Local Law No. 4 of 2022, Amending Chapter 28 of the Charter and Code - Election Districts,

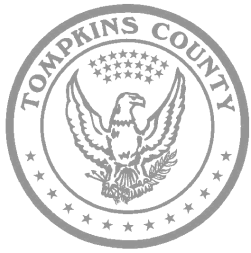

RESOLVED, further, That the Clerk of the Legislature shall publish in the official newspaper of the County a notice of adoption containing a synopsis of said local law and shall within twenty days file one certified copy in the Office of the County Clerk, and one copy with the Secretary of State.

STATE OF NEW YORK )  
 ) ss:  
 COUNTY OF TOMPKINS)

I hereby certify that the foregoing is a true and correct transcript of a resolution adopted by the Tompkins County Legislature on September 20, 2022.

IN WITNESS WHEREOF, I have hereunto set my hand and affixed the seal of the said Legislature at Ithaca, New York, on October 24, 2022.

*Catherine Corbett*, Clerk  
 Tompkins County Legislature

Section 1. This Local Law amends Chapter 28 of the Tompkins County Charter and Code.

Section 2. Chapter 28 of the Tompkins County Charter and Code is amended and shall read as follows:

**§28-1. Composition of Tompkins County Legislature; terms of office.**

The governing board of County of Tompkins, known and designated as the Tompkins County Legislature shall be made up of 16 Legislators, each of whom shall be elected for a four-year term of office commencing January 1, 2026.

**§28-2. Districts enumerated.**

The County of Tompkins be and hereby is divided into District which shall be made up of municipalities, or portions thereof as described hereafter.

**Representative**

<b>District Number</b>	<b>Description</b>
1	Parts of the City of Ithaca and Town of Ithaca
2	Part of the City of Ithaca
3	Part of the City of Ithaca
4	Part of the City of Ithaca
5	Parts of the City of Ithaca and the Town of Ithaca
6	Part of the Town of Ithaca, including all of the Village of Cayuga Heights
7	Parts of the Town of Lansing and the Town of Ithaca, including all of the Village of Lansing
8	Part of the Town of Lansing
9	All of the Town of Groton, including all of the Village of Groton and part of the Town of Dryden
10	Part of the Town of Dryden, including all of the Village of Dryden and the Village of Freeville
11	Part of the Town of Dryden
12	Part of the Town of Ithaca
13	All of the Town of Caroline and all of the Town of Danby
14	Part of the Town of Ithaca
15	All of the Town of Newfield and part of the Town of Enfield
16	All of the Town of Ulysses, including all of the Village of Trumansburg and part of the Town of Enfield

Metes and bounds descriptions were determined using 2021 Tax Roll.

## **DISTRICT NO. 1**

Parts of the City of Ithaca and Town of Ithaca as described as follows:

Beginning at a point of intersection of the centerlines of Cascadilla Creek and Monroe Street; thence running southwesterly along the centerline of Monroe Street a distance of 29 feet to the intersection with the centerline of Lake Avenue; thence southeasterly along the centerline of Lake Avenue a distance of 580 feet to the intersection of the centerline of Cascadilla Street; thence westerly along the centerline of Cascadilla Street a distance of 2,484 feet to the intersection of the centerline of North Meadow Street; thence northerly along the centerline of North Meadow Street a distance of 433 feet to the intersection with the centerline of North Fulton Street; thence southerly along the centerline of North Fulton Street a distance of 3,609 feet to the intersection of the centerline of South Meadow Street; thence northerly along the centerline of South Meadow Street a distance of approximately 597 feet to the intersection of the centerline of West Green Street; thence easterly along the centerline of West Green Street a distance of approximately 2,519 feet to the intersection of centerline of South Cayuga Street; thence southerly along the centerline of South Cayuga Street a distance of approximately 2,330 feet to the intersection of the centerline of a former railroad bed; thence southwesterly along the centerline of the former railroad bed a distance of approximately 697 feet to the southerly boundary of the City of Ithaca; thence southwesterly along the southerly boundary of the City of Ithaca a distance of 17,544 feet to the southwesterly corner of tax parcel 500700-99.-1-8.2; thence northerly a distance of approximately 9,800 feet along the westerly boundary of the City of Ithaca to the northwesterly corner of the boundary of the City of Ithaca; thence southwesterly along the boundary of the City of Ithaca a distance of approximately 1,936 feet to the intersection with the centerline of Trumansburg Road/Cliff Street (New York State 96); thence northwesterly along the centerline of Trumansburg Road into the Town of Ithaca a distance of approximately 1.7 miles to the intersection with the centerline of Dubois Road; thence northerly along the centerline of Dubois Road a distance of approximately 3,500 feet to the intersection with the northerly boundary of the Town of Ithaca; thence easterly along the northerly boundary of the Town of Ithaca a distance of 1.4 miles to the westerly boundary of the Town of Lansing which is a point in the approximate center of Cayuga Lake; thence southerly along the approximate centerline of Cayuga Lake a distance of 1.5 miles to the eastern shoreline of Cayuga Inlet; thence southerly along the easterly shoreline of Cayuga Inlet a distance of approximately 3,100 feet to the intersection with the centerline of Cascadilla Creek; thence easterly and southeasterly along the center line of Cascadilla Creek a distance of 3,650 feet, more or less, to the point of beginning.

## **DISTRICT NO. 2**

Part of the City of Ithaca described as follows:

Beginning at the intersection of the centerlines of Linn Street and East Lincoln Street; thence easterly along the centerline of East Lincoln Street a distance of 136 feet, more or less, to the intersection with the centerline of Lake Street; thence northerly along the centerline of Lake Street a distance of approximately 392 feet to the intersection with the centerline of Fall Creek; thence northwesterly along the centerline of Fall Creek a distance of 1.0 mile to where Fall Creek flows into Cayuga Lake; thence southerly as Cayuga Lake flows into Cayuga Inlet and continuing along the easterly shoreline of Cayuga Inlet a distance of approximately 3,380 feet to the intersection with the centerline of Cascadilla Creek; thence easterly and southeasterly along the center line of Cascadilla Creek a distance of 3,650 feet, more or less, to the intersection of the centerline of Monroe Street; thence running southwestly along the centerline of Monroe Street a distance of 29 feet to the intersection with the centerline of Lake Avenue; thence southeasterly along the centerline of Lake Avenue a distance of 580 feet to the intersection of the centerline of Cascadilla Street; thence westerly along the centerline of Cascadilla Street a distance of 2,484 feet to the intersection of the centerline of North Meadow Street; thence northerly along the centerline of North Meadow Street a distance of 433 feet to the intersection with the centerline of North Fulton Street; thence southerly along the centerline of North Fulton Street a distance of 3,609 feet to the intersection of the centerline of South Meadow Street; thence northerly along the centerline of South Meadow Street a distance of approximately 597 feet to the intersection of the centerline of West Green Street; thence easterly along the centerline of West Green Street a distance of approximately 2,519 feet to the intersection of centerline of South Cayuga Street; thence southerly along the centerline of South Cayuga Street a distance of approximately 1,216 feet more or less, to the intersection with the centerline of Six Mile Creek; thence northeasterly along the centerline of Six Mile Creek a distance of approximately 1,700 feet, more or less, to the intersection with the centerline of South Aurora Street; thence northerly along the centerline of South Aurora Street a distance of approximately 47 feet to the intersection with the centerline of East Green Street; thence northeasterly along the centerline of East Green Street a distance of approximately 429 feet to the intersection with the centerline of East State Street; thence easterly along the centerline of East State Street a distance of 1,525 feet more or less, to the intersection with the centerline of North Quarry Street; thence northerly along the centerline of North Quarry Street a distance of 1,067 feet, more or less, to the intersection with the centerline of East Buffalo Street; thence westerly along the centerline of East Buffalo Street a distance of 314 feet, more or less, to the intersection with the centerline of Stewart Avenue; thence northerly along the centerline of Stewart Avenue a distance of 652 feet to the intersection with the centerline of Cascadilla Creek; thence easterly along the centerline of Cascadilla Creek a distance of 1,574 feet to the intersection with the centerline of Linn Street; thence northerly along the centerline of Linn Street a distance of 3,284 feet to the point of beginning.

### **DISTRICT NO. 3**

Part of the City of Ithaca described as follows:

Beginning at a point in the south corporate limits of the City of Ithaca at its intersection with the center line of East State Street (New York State Route 79); thence easterly along the south corporate limit of the City of Ithaca a distance of 260 feet, more or less, to a monument marking the southeasterly corner in the corporate limits of the City of Ithaca; thence northerly along the east line of the City of Ithaca a distance of 6,511 feet more or less, to the intersection with the centerline of Dryden Road; thence westerly along the centerline of Dryden Road a distance of approximately 418 feet to the intersection with the centerline of Hoy Road; thence westerly along the centerline of Hoy Road a distance of 96 feet to the intersection with the centerline of Fall Creek; thence westerly along the centerline of Fall Creek a distance of approximately 2,640 feet to the intersection with the centerline of College Avenue; thence southerly along the centerline of College Avenue a distance of 174 feet more or less to the intersection with the centerline of Oak Avenue; thence easterly along the centerline of Oak Avenue a distance of 610 feet to the intersection with the centerline of Summit Avenue; thence southerly along the centerline of Summit Avenue a distance of 409 feet to the intersection with the centerline of Dryden Road; thence westerly along the centerline of Dryden Road a distance of 325 feet to the intersection with the centerline of Linden Avenue; thence southerly along the center line of Linden Avenue a distance of 838 feet, more or less, to a point of intersection with the center line of Bool Street; thence westerly along the center line of Bool Street a distance of 267 feet, more or less, to a point of intersection with the center line of College Avenue; thence southerly along the center line of College Avenue a distance of 614 feet, more or less, to a point of intersection with the center line of Mitchell Street (New York State Route 336); thence southwesterly along the center line of Mitchell Street (New York State Route 336) a distance of 306 feet, more or less, to a point of intersection with the center line of East State Street; thence northwesterly along the center line of East State Street a distance of 2,365 feet, more or less, to a point of intersection with the center line of East Green Street (New York State Route 79E); thence southwesterly along the centerline of East Green Street (New York State Route 79E) a distance of 430 feet, more or less to the intersection with the centerline of South Aurora Street; thence southwesterly a distance of 60 feet, more or less, to the intersection with the centerline of Six Mile Creek; thence southeasterly along the centerline of Six Mile Creek a distance of approximately 1,700 feet, more or less, to the intersection with the center line of South Cayuga Street; thence southerly along South Cayuga Street a distance of 1,200 feet, more or less, to the southern end of the centerline of South Cayuga Street; thence southwesterly across Tax Parcel 500700-106.-1-8.2 a distance of approximately 615 feet to a point of intersection with the City of Ithaca corporate limits, which is the northwesterly corner of said Tax Parcel 503089-40.-3-3 (Tax Role Status 2021); thence easterly along the southerly boundary of the City of Ithaca

corporate limits, as it twists and turns, a distance of 9,000 feet, more or less, to the point and place of beginning.

**DISTRICT NO. 4**

Part of the City of Ithaca described as follows:

Beginning at a point on the center line of Cascadilla Creek at the point of intersection with the center line of Stewart Avenue; thence running northeasterly along the center line of Stewart Avenue a distance of 2,219 feet, more or less, to the intersection with University Avenue; thence running more or less in an easterly direction along the centerline of University Avenue a distance of approximately 2,642 feet to the intersection with Forest Home Drive and East Avenue; thence continuing easterly along centerline of Forest Home Drive a distance of approximately 2,160 feet to the intersection of the easterly boundary of the City of Ithaca; thence continuing southerly along the easterly boundary of the City of Ithaca a distance of approximately 2130 feet to the intersection with Dryden Road; thence continuing westerly along the centerline of Dryden Road a distance of approximately 417 feet to the intersection of Hoy Road; thence continuing westerly along the centerline of Hoy Road a distance of 96 feet to the intersection of the centerline of Cascadilla Creek; thence continuing westerly along the centerline of Cascadilla Creek a distance of approximately 2,642 feet to the intersection of College Avenue; thence running southerly along the centerline of College Avenue a distance of 176 feet, more or less, to a point of intersection with the center line of Oak Avenue; thence easterly along the center line of Oak Avenue a distance of 606 feet more or less, to a point of intersection with the center line of Summit Avenue; thence southerly along the center line of Summit Avenue extended a distance of 409 feet, more or less, to a point of intersection with the center line of Dryden Road; thence westerly along the center line of Dryden Road a distance of 325 feet, more or less, to a point of intersection with the center line of Linden Avenue; thence southerly along the center line of Linden Avenue a distance of 838 feet, more or less, to a point of intersection with the center line of Bool Street; thence westerly along the center line of Bool Street a distance of 267 feet, more or less, to a point of intersection with the center line of College Avenue; thence southerly along the center line of College Avenue a distance of 614 feet, more or less, to a point of intersection with the center line of Mitchell Street; thence southwesterly along the center line of Mitchell Street a distance of 306 feet, more or less, to a point of intersection with the center line of East State Street; thence northwesterly along the center line of East State Street a distance of 840 feet, more or less, to a point of intersection with the center line of North Quarry Street; thence running northerly along the centerline of North Quarry Street a distance of 1,066 feet to a point of intersection with the centerline of East Buffalo Street; thence running westerly along the centerline of East Buffalo Street a distance of 314 feet to a point of intersection with the centerline of

Stewart Avenue; thence running northerly along the centerline of Stewart Avenue a distance of 648 feet, more or less, to the point of beginning.

#### **DISTRICT NO. 5**

Parts of the City of Ithaca and the Town of Ithaca described as follows:

Beginning at the intersection of the centerlines of Linn Street and East Lincoln Street; thence easterly along the centerline of East Lincoln Street a distance of 136 feet, more or less, to the intersection with the centerline of Lake Street; thence northerly along the centerline of Lake Street a distance of approximately 392 feet to the intersection with the centerline of Fall Creek; thence northwesterly along the centerline of Fall Creek a distance of 1.0 mile to where Fall Creek flows into Cayuga Lake; thence northerly a distance approximately 1.2 miles to the southwesterly corner of the Town of Lansing which is at a point in the center of Cayuga Lake; thence easterly along the southerly boundary of the Town of Lansing a distance of 0.7 miles to the westerly boundary of the Village of Cayuga Heights; thence southerly along the westerly boundary of the Village of Cayuga Heights a distance of approximately 2.0 miles to the southwesterly corner of the Village of Cayuga Heights; thence easterly along the southerly boundary of the Village of Cayuga Heights a distance of 5,060 feet to the southeasterly corner of the Village of Cayuga Heights; thence southerly along the easterly boundary of the City of Ithaca a distance of 0.5 miles to the intersection with the centerline of Forest Home Drive; thence westerly along the centerline of Forest Home Drive a distance of approximately 0.4 miles to the intersection with the centerlines of East Avenue, Thurston Avenue and University Avenue; thence westerly along the centerline of University Avenue a distance of 0.5 miles to the intersection with the centerline of Stewart Avenue; thence southerly along the centerline of Stewart Avenue a distance of 0.4 miles to the intersection of the centerline of Cascadilla Creek; thence westerly along the centerline of Cascadilla Creek a distance of 1,574 feet to the intersection with the centerline of Linn Street; thence northerly along the centerline of Linn Street a distance of 3,284 feet to the point of beginning.

#### **DISTRICT NO. 6**

Part of the Town of Ithaca, including all of the Village of Cayuga Heights, described as follows:

Beginning at the northwesterly corner of the Village of Cayuga Heights; thence easterly along the southerly boundary of Town of Lansing a distance of approximately 2.0 miles to the intersection of the centerline of Warren Road; thence southerly along the centerline of Warren Road a distance of 1.9 miles, more or less, to the intersection of the centerline of Forest Home Drive; thence running southeasterly along the centerline of Forest Home Drive a distance of approximately 618 feet to the centerline of Fall Creek; thence running westerly approximately 3,640 feet, more or less, along the centerline of Fall Creek to the easterly boundary

of the City of Ithaca; thence running northerly along the easterly boundary of the City of Ithaca a distance of approximately 2,020 feet; thence running westerly along the northerly boundary of the City of Ithaca a distance of approximately 5,060 feet to the westerly boundary of the Village of Cayuga Heights; thence continuing northerly along the westerly boundary of the Village of Cayuga Heights a distance of 2.0 miles to the southerly boundary of the Town of Lansing to the point of beginning.

#### **DISTRICT NO. 7**

Parts of the Town of Lansing and the Town of Ithaca, including all of the Village of Lansing, described as follows:

Beginning at the southwesterly corner of the Town of Lansing, which is also located in the approximate center of Cayuga Lake; thence easterly along the southerly boundary of Town of Lansing a distance of approximately 2.6 miles to the intersection of the centerline of Warren Road; thence southerly along the centerline of Warren Road a distance of 1.9 miles, more or less, to the intersection of the centerline of Forest Home Drive; thence running southeasterly along the centerline of Forest Home Drive a distance of approximately 618 feet to the centerline of Fall Creek; thence running westerly along the centerline of Fall Creek a distance of approximately 3,640 feet, more or less, to the easterly boundary of the City of Ithaca; thence running southerly along the easterly boundary of the City of Ithaca a distance of 2,735 feet, more or less, to the intersection with the centerline of Dryden Road (New York State Route 366); thence running northeasterly along the centerline of Dryden Road a distance of 1.4 miles to the westerly boundary of the Town of Dryden; thence running northerly along the westerly boundary of the Town of Dryden a distance of 3.1 miles to the northeasterly corner of the Village of Lansing; thence running westerly along the northerly boundary of the Village of Lansing a distance of 1.1 miles to the intersection of the centerline of Warren Road; thence continuing northerly along the centerline of Warren Road a distance of 2.0 miles to the intersection with centerline of Asbury Road; thence running westerly along the centerline of Asbury Road a distance of approximately 0.6 miles, more or less, to the intersection with centerline of Triphammer Terrace; thence running southerly along the centerline of Triphammer Terrace 0.9 miles, to the intersection of North Triphammer Road and Waterwagon Road; thence continuing westerly to the intersection with centerline of Waterwagon Road approximately 0.9 miles to the intersection with the centerline of East Shore Drive to the northerly boundary of the Village of Lansing; thence running southerly along the centerline of East Shore Drive approximately 500 feet to the northerly boundary of the Village of Lansing; thence running westerly along the northerly boundary of the Village of Lansing approximately 300 feet; thence continuing southerly along the boundary of the Village of Lansing approximately 2,020 feet more or less; thence running westerly 2,444 feet along the northern boundary of the Village of Lansing to the easterly shoreline of Cayuga Lake; thence running southerly approximately 4,100 feet, more or less, along the

shoreline of Cayuga Lake to a point in the centerline of an intermittent stream located immediately north of the northwest corner of the parcel 503201-42.1-1-50.3 which is the Bolton Point Water Treatment Facility; thence running westerly 3,342 feet to the easterly boundary of the Town of Ulysses which is also located in the approximate center of Cayuga Lake; then running southerly along the westerly boundary of the Town of Lansing a distance of 1.5 miles to the point of beginning.

#### **DISTRICT NO. 8**

Part of the Town of Lansing described as follows:

Beginning in the northeasterly corner of the Town of Lansing; thence southerly along the easterly boundary of the Town of Lansing a distance of approximately 9.1 miles to the intersection with the centerline of Snyder Road which is also the northerly boundary of the Village of Lansing; thence westerly along the municipal boundary a distance of approximately 1.1 miles, more or less, to the intersection with the centerline of Warren Road; thence continuing northerly along the centerline of Warren Road a distance of 2.0 miles to the intersection with centerline of Asbury Road; thence running westerly along the centerline of Asbury Road a distance of approximately 0.6 miles, more or less, to the intersection with centerline of Triphammer Terrace; thence running southerly along the centerline of Triphammer Terrace 0.8 miles feet, to the intersection of North Triphammer Road and Waterwagon Road; thence continuing westerly to the intersection with centerline of Waterwagon Road approximately 0.9 miles to the intersection with the centerline of East Shore Drive; thence running southerly along the centerline of East Shore Drive approximately 500 feet to the northerly boundary of the Village of Lansing; thence running westerly along the northerly boundary of the Village of Lansing approximately 300 feet; thence continuing southerly along the boundary of the Village of Lansing approximately 2,020 feet more or less; thence running westerly 2,444 feet along the northerly boundary of the Village of Lansing to the easterly shoreline of Cayuga Lake; thence running southerly approximately 4,100 feet, more or less, along the shoreline of Cayuga Lake to a point in the centerline of an intermittent stream located immediately north of the northwest corner of the parcel 503201-42.1-1-50.3 which is the Bolton Point Water Treatment Facility; thence running westerly 3,342 feet to the easterly boundary of the Town of Ulysses which is also located in the approximate center of Cayuga Lake; thence running northwesterly along the municipal boundary a distance of 11.8 miles to the northwesterly corner of the Town of Lansing; thence running easterly approximately 10.8 miles along the northern boundary of the Town of Lansing to the point of beginning.

#### **DISTRICT NO. 9**

All of the Town of Groton, including all of the Village of Groton and part of the Town of Dryden described as follows:

Beginning in the northwesterly corner of the Town of Dryden; thence easterly along the northerly boundary of the Town of Dryden a distance of approximately 6.7 miles to the intersection with the centerline of West Malloryville Road; thence southerly along the centerline of West Malloryville Road a distance of 0.9 miles to the intersection of Red Mill Road; thence southwestly along the centerline of Red Mill Road a distance of 0.3 miles to the intersection of the centerline of Hile School Road; then westerly along the centerline of Hile School Road a distance of 1.5 miles to the westerly boundary of parcel 502489-28.-1-4; thence southerly 2,983 feet to the southerly boundary of parcel 502489-28.-1-6; thence westerly along the southerly boundary of 502489-28.-1-6 a distance of approximately 1,291 feet to the intersection with the centerline of Groton Road; thence westerly along the southerly boundary of parcel 502489-28.-1-13 a distance of 1,222 feet; thence northerly a distance of 0.7 miles, more or less to the northeasterly corner of parcel 502489-28.-1-1.3; thence westerly along the northerly boundary of parcel 502489-28.-1-1.3 a distance of approximately 847 feet to the easterly boundary of parcel 502489-23.-1-18.1; thence northerly a distance of 440 feet to the southerly boundary of parcel 502489-23.-1-5.1; thence westerly a distance of approximately 852 feet, more or less, to the southeasterly corner of parcel 502489-23.-1-20.5; thence northerly along the westerly boundary of parcel 502489-23.-1-18.1 a distance of approximately 1,526 feet to the northwesterly corner of parcel 502489-23.-1-18.1; thence westerly to the intersection of the centerline of Caswell Road a distance of approximately 1,670 feet, more or less; thence southerly along the centerline of Caswell Road a distance of approximately 3,024 feet to the intersection of the centerline of Bone Plain Road; thence westerly along the centerline of Bone Plain Road a distance of 4.0 miles to the westerly boundary of the Town of Dryden; thence northerly along the westerly boundary of the Town of Dryden a distance of approximately 1.1 miles to the northwesterly corner of the Town of Dryden to the point of beginning.

#### **DISTRICT NO. 10**

Part of the Town of Dryden, including all of the Village of Dryden and the Village of Freeville, described as follows:

Beginning at the southeasterly corner of the Town of Dryden; thence westerly approximately 4.8 miles to miles along the southerly boundary of the Town of Dryden to the intersection with Midline Road; thence easterly and northwesterly 3.3 miles, more or less, along the centerline of Midline Road to the intersection with the centerline of Ringwood Road; thence northeasterly 2.3 miles, more or less, along the centerline of the Ringwood Road to the intersection with the centerline of Dryden Road; thence westerly a distance of 1.0 mile along the centerline of Dryden Road to the intersection with the centerline of Kirk Road; thence northerly 0.7 miles, more or less, along the centerline of Kirk Road to the intersection with the centerline of Main Street; thence northeasterly approximately 2.3 miles along the centerline of Main Street to the

intersection with the westerly boundary of the Village of Freeville; thence northerly approximately 0.6 miles along the westerly boundary of the Village of Freeville to the intersection with the centerlines of Dryden Road West, which is the northwesterly corner of the Village of Freeville; thence westerly along the centerline of West Dryden Road a distance of 580 feet, more or less, to the intersection of Palmear Road; thence northerly along the centerline of Palmear Road a distance of approximately 1,925 feet more or less, to the intersection with the centerline of Groton Road (New York State Route 38); thence northerly along the centerline of Groton Road (New York State Route 38) a distance of 379 feet, more or less, to the southwest corner of parcel 502489-28.-1-6; thence easterly along the southerly boundary of parcel 502489-28.-1-6 a distance of 1,291 feet to its southeasterly corner; thence northerly a distance of 2,938 feet to the centerline of Hile School Road; thence easterly along the centerline of Hile School Road a distance of 1.5 miles to the intersection with the centerline of Red Mill Road; thence northerly and easterly approximately 0.3 miles along the centerline of Red Mill Road to the intersection with the centerline of West Malloryville Road; thence northerly along the centerline of West Malloryville Road a distance of 0.9 miles to the intersection with the centerline of Peruville Road which is also the northerly boundary of the Town of Dryden; thence easterly along the northerly boundary of the Town of Dryden (centerline of Peruville Road) a distance of approximately 4.1 miles to the easterly boundary of Tompkins County; thence southerly approximately 9.3 miles along the easterly boundary of Tompkins County to the point of beginning.

#### **DISTRICT NO. 11**

Part of the Town of Dryden described as follows:

Beginning at the southwest corner of the Town of Dryden; thence easterly approximately 3.0 miles along the southerly boundary of the Town of Dryden; thence northerly approximately 1.0 miles along the boundary of the Town of Dryden; thence easterly approximately 1.9 miles along the southerly boundary of the Town of Dryden to the intersection of Hollister Road and Midline Road; thence easterly and northwesterly 3.3 miles, more or less, along the centerline of Midline Road to the intersection with the centerline of Ringwood Road; thence northeasterly 2.3 miles, more or less, along the centerline of the Ringwood Road to the intersection with the centerline of Dryden Road; thence westerly a distance of 1.0 mile along the centerline of Dryden Road to the intersection with the centerline of Kirk Road; thence northerly 0.7 miles, more or less, along the centerline of Kirk Road to the intersection with the centerline of Main Street; thence northeasterly approximately 2.3 miles along the centerline of Main Street to the intersection with the westerly boundary of the Village of Freeville; thence northerly approximately 0.6 miles along the westerly boundary of the Village of Freeville to the intersection with the centerlines of Dryden Road West, which is the northwesterly corner of the Village of Freeville; thence westerly along the

centerline of West Dryden Road a distance of 580 feet, more or less, to the intersection of Palmear Road; thence northerly along the centerline of Palmear Road a distance of approximately 1,925 feet more or less, to the intersection with the centerline of Groton Road (New York State Route 38); thence northerly along the centerline of Groton Road (New York State Route 38) a distance of 379 feet, more or less, to the southeasterly corner of parcel 502489-28.-1-13; thence westerly along the southerly boundary of parcel 502489-28.-1-13 a distance of 1,222 feet; thence northerly a distance of 0.7 miles, more or less to the northeasterly corner of parcel 502489-28.-1-1.3; thence westerly along the northerly boundary of parcel 502489-28.-1-1.3 a distance of approximately 847 feet to the easterly boundary of parcel 502489-23.-1-18.1; thence northerly a distance of 440 feet to the southerly boundary of parcel 502489-23.-1-5.1; thence westerly a distance of approximately 852 feet, more or less, to the southeasterly corner of parcel 502489-23.-1-20.5; thence northerly along the westerly boundary of parcel 502489-23.-1-18.1 a distance of approximately 1,526 feet to the northwesterly corner of parcel 502489-23.-1-18.1; thence westerly to the intersection of the centerline of Caswell Road a distance of approximately 1,670 feet, more or less; thence southerly along the centerline of Caswell Road a distance of approximately 3,024 feet to the intersection of the centerline of Bone Plain Road; thence westerly along the centerline of Bone Plain Road a distance of 4.0 miles to the westerly boundary of the Town of Dryden; thence southerly along the westerly boundary of the Town of Dryden a distance of approximately 9.2 miles to the southwesterly corner of the Town of Dryden to the point of beginning.

## **DISTRICT NO. 12**

Part of the Town of Ithaca described as follows:

Beginning at the southeasterly corner of the Town of Ithaca; thence westerly along the southerly boundary of the Town of Ithaca a distance of approximately 2.6 miles to the intersection of the centerline of Danby Road (New York State 96B); thence northerly along the centerline of Danby Road (New York State 96B) a distance of 1.6 miles to the intersection with the centerline of the southerly driveway to the Ithaca Fire Station No. 3; thence easterly along the centerline of the driveway of Ithaca Fire Station No. 3 a distance of 250 feet to the intersection with the parking lot on the southwesterly side of Butterfield Stadium; thence easterly along the southwesterly side of Butterfield Stadium a distance of 340 feet to the southeasterly corner of Butterfield Stadium; thence easterly 320 feet through the woods to the intersection with the centerline of Flora Brown Drive; thence easterly along the southerly boundary of the Terrace 13 parking lot approximately 362 feet to the intersection with the centerline of Observatory Access Road; thence northeasterly along the centerline of Observatory Access Road a distance of 775 feet to a point where the Observatory Access Road turns east; thence easterly a distance of 2,275 feet, by-passing to the north of two water towers to the centerline of the water tower access road; thence easterly along the centerline of the

water tower access road a distance of approximately 908 feet to the southwesterly corner of parcel 503089-42.-1-9.142; thence northwesterly a distance of 2,282 feet to the intersection with the centerline of Lyceum Drive; thence northwesterly along the centerline of the Lyceum Drive a distance of 405 feet to the intersection with a foot path where Lyceum Drive meets Grant Egbert Boulevard East; thence northwesterly along the footpath a distance of 2000 feet to the southerly boundary of the City of Ithaca; then northeasterly along the southerly boundary of the City of Ithaca a distance of 1.0 miles to the southeasterly boundary of the City of Ithaca; thence northerly along the easterly boundary of the City of Ithaca a distance of 1.2 miles to the intersection with the centerline of Dryden Road (New York State 366); thence northeasterly along the centerline of Dryden Road (New York State 366) a distance of 1.4 miles to the easterly boundary of the Town of Ithaca; thence southerly along the easterly boundary of the Town of Ithaca a distance of approximately 3.8 miles to the point of beginning.

#### **DISTRICT NO. 13**

All of the Town of Caroline and all of the Town of Danby.

#### **DISTRICT NO. 14**

Part of the Town of Ithaca described as follows:

Beginning at the southwesterly corner of the Town of Ithaca; thence northerly along the westerly boundary of the Town of Ithaca a distance of approximately 6.0 miles to the southerly boundary of the Town of Ulysses; thence easterly along the southerly boundary of the Town of Ulysses a distance of 1.2 miles to the intersection with the centerline of Dubois Road; thence southerly along the centerline of Dubois Road a distance of approximately 3,480 feet to the intersection with the centerline of Trumansburg Road (New York State 96); thence southerly along the centerline of Trumansburg Road as distance of 1.7 miles, more or less, to the intersection with the northerly boundary of the City of Ithaca; thence northwesterly along the boundary of the City of Ithaca to the westerly boundary of the City of Ithaca; thence southerly along the boundary of the City of Ithaca and continuing easterly along the boundary a distance of 5.5 miles to the intersection with a foot path on the Ithaca College campus; thence southerly along the footpath a distance of 2000 feet to the centerline of the intersection where Lyceum Drive meets Grant Egbert Boulevard East; thence southeasterly along the centerline of Lyceum Drive a distance of 405 feet; thence continuing through the woods in a southeasterly direction a distance of 2282 feet passing the southwesterly corner of parcel 503089-42.-1-9.142 to the centerline of the water tower access road; then westerly along the centerline of the water tower access road a distance of approximately 908 feet; thence westerly by-passing to the north of 2 water towers a distance of approximately 2,275 feet to a point on the Observatory Access Road; thence southwesterly along the centerline of the Observatory Access Road a distance of 775 feet to the

southeasterly corner of Terrace 13 parking lot; thence westerly along the southerly boundary of the Terrace 13 parking lot a distance of approximately 362 feet to the intersection with the centerline of Flora Brown Drive; thence westerly 320 feet through the woods to the southeasterly corner of Butterfield Stadium; thence westerly along the southwesterly side of Butterfield Stadium a distance of 340 feet to the intersection with the centerline of the driveway of Ithaca Fire Station No. 3; thence westerly along the centerline of the driveway of Ithaca Fire Station No. 3 a distance of 250 feet to the centerline of the intersection of Danby Road (New York State 96B); then southerly along the centerline of Danby Road (New York State 96B) a distance of 2.6 miles to the intersection with the southerly boundary of the Town of Ithaca; thence westerly along the southerly boundary of the Town of Ithaca a distance of approximately 3.6 miles to the point of beginning.

#### **DISTRICT NO. 15**

All of the Town of Newfield and that part of the Town of Enfield described as follows:
