

Share How You Will Honor Our Missing or Never-Released Veterans

ITHACA, Sept. 2, 2020 -- POW/MIA Recognition Day is September 18. In a regular year, we would recognize this significant date locally by participating in the Watchfire at Myers Point, sponsored annually for almost 30 years by the Vietnam Veterans of America (VVA) – Chapter 377.

Due to concerns regarding the COVID-19 pandemic, this year's event had to be cancelled. However, the Cornell Veterans Colleague Network Group, Team Red White & Blue (RWB), the Tompkins County Department of Veterans Services, and Cornell ROTC want to help the VVA carry on this tradition. This year we plan to create a digital log of how our communities across Tompkins commemorate the day.

How do you demonstrate that our POW/MIA warriors are not forgotten?

Send your images, videos and thoughts to vcng-events@cornell.edu. We will compile them into a file to share with the *Ithaca Voice* and on our social media channels. Videos should be taken horizontally.

Please send your materials no later than Wednesday, September 23, 2020.

Members of Team RWB gather to honor POW/MIA Recognition Day with their own socially distanced watchfire.
