RE: Tompkins County Comprehensive Plan
Five-Year Implementation Plan Update

Dear Mr. Marx:

The Tompkins County Council of Governments is willing to commit to act as the lead agency, along with Tompkins County Area Development, for the following element of the Tompkins County Comprehensive Plan's new Five-Year Implementation Plan:

- Maintain an inventory of the location and capacity of existing water and sewer facilities and utilize the information to maximize the benefit of public investments and efficiency of facility operations.

I understand that this would be done without additional resources from Tompkins County.

Sincerely,

Don Barber, Co-Chair
Tompkins County Council of Governments
