WHEREAS Article 7 of the New York State Agriculture and Markets Law requires municipalities to provide for the licensing and identification of dogs, the control and protection of the dog population and the protection of persons, property, domestic animals and deer from dog attack and damage and

WHEREAS the Tompkins County Council of Governments (TCCOG) wishes to provide an efficient, effective and humane level of dog control service for those residents of Tompkins County in municipalities participating in a coordinated contract with a dog control provider and

WHEREAS at its August 28, 2008 meeting of TCCOG an agreement was reached to create a formula for dog control costs based on the ratio of dog population to human population and requested that the Town of Danby use the formula to create the proposed 2009 cost for each municipality

RESOLVED the attached chart is accepted as the official distribution of costs for the 2009 dog control contract.
